

I BELIEVE NATIONAL SECURITY IS COMPROMISED BY RUPERT MURDOCK'S ACQUISITION OF GM'S DIRECTV.

ON JANUARY 22, 2003, THE FBI ARRESTED IGORT SEREBRYANY, A 19 YEAR OLD RUSSIAN STUDENT FROM LOS ANGELES, AND ACCUSED HIM OF STEALING AND DISTRIBUTING HUNDREDS OF SECRET DOCUMENTS ABOUT NEW ANTI-PIRACY TECHNOLOGY FROM DIRECTV, INC.

HOW STRANGE AND INSANE AND IRRATIONAL TO NOW PERMIT AND GIVE THAT SAME TECHNOLOGY TO RUPERT MURDOCK, AN INDIVIDUAL AND MEDIA GIANT, AND NON-CITIZEN OF THE UNITED STATES!
